PROXY STATEMENT
FOR THE ANNUAL GENERAL MEETING OF SHAREHOLDERS
TO BE HELD ON JUNE 19, 2019

This proxy statement (the "Proxy Statement") and our annual report for the fiscal year ended December 31, 2018 (the "Annual Report" and, together with the Proxy Statement, the "proxy materials") are being furnished by and on behalf of the board of directors (the "Board" or the "Board of Directors") of MeiraGTx Holdings plc (the "Company," "MeiraGTx," "we," "us," or "our"), in connection with our 2019 annual general meeting of shareholders (the "Annual Meeting").

GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

When and where will the Annual Meeting be held?

The Annual Meeting will be held on Wednesday, June 19, 2019 at 10:00 a.m., Eastern Time, at our offices located at 430 East 29th Street, New York, New York 10016.

What are the purposes of the Annual Meeting?

The purpose of the Annual Meeting is to vote on the following items described in this Proxy Statement:

- Proposal No. 1: Election of the director nominees listed in this Proxy Statement.
- Proposal No. 2: Ratification, by ordinary resolution, of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2019.
- Proposal No. 3: Approval, by special resolution, of the amendment and restatement of our Memorandum and Articles of Association in the form attached as Annex A.

Are there any matters to be voted on at the Annual Meeting that are not included in this Proxy Statement?

At the date this Proxy Statement went to press, we did not know of any matters to be properly presented at the Annual Meeting other than those referred to in this Proxy Statement. If other matters are properly presented at the meeting or any adjournment or postponement thereof for consideration, and you are a shareholder of record and have submitted a proxy card, the persons named in your proxy card will have the discretion to vote on those matters for you.

Why did I receive a notice in the mail regarding the Internet availability of proxy materials instead of a paper copy of proxy materials?

The rules of the Securities and Exchange Commission (the "SEC") permit us to furnish proxy materials, including this Proxy Statement and the Annual Report, to our shareholders by providing access to such documents on the Internet instead of mailing printed copies. Shareholders will not receive paper copies of the proxy materials unless they request them. Instead, the Notice of Internet Availability of Proxy Materials (the

[Table of Contents](#)

“Notice and Access Card”) provides instructions on how to access and review on the Internet all of the proxy materials. The Notice and Access Card also instructs you as to how to authorize via the Internet or telephone your proxy to vote your shares according to your voting instructions. If you would like to receive a paper or email copy of our proxy materials, you should follow the instructions for requesting such materials described in the Notice and Access Card.

What does it mean if I receive more than one Notice and Access Card or more than one set of proxy materials?

It means that your shares are held in more than one account at the transfer agent and/or with banks or brokers. Please vote all of your shares. To ensure that all of your shares are voted, for each set of proxy materials, please submit your proxy by phone, via the Internet, or, if you received printed copies of the proxy materials, by signing, dating and returning the enclosed proxy card in the enclosed envelope.

Can I vote my shares by filling out and returning the Notice and Access Card?

No. The Notice and Access Card identifies the items to be voted on at the Annual Meeting, but you cannot vote by marking the Notice and Access Card and returning it. If you would like a paper proxy card, you should follow the instructions in the Notice and Access Card. The paper proxy card you receive will also provide instructions as to how to authorize via the Internet or telephone your proxy to vote your shares according to your voting instructions. Alternatively, you can mark the paper proxy card with how you would like your shares voted, sign the proxy card and return it in the envelope provided.

Who is entitled to vote at the Annual Meeting?

Holders of record of our ordinary shares as at the close of business on April 22, 2019 (the “Record Date”) will be entitled to receive notice of, attend and vote at the Annual Meeting and any continuation, postponement or adjournment thereof. At the close of business on the Record Date, there were [] of our ordinary shares issued and outstanding and entitled to vote. On the basis that voting at the Annual Meeting will be conducted by way of a poll, every shareholder present in person or by proxy shall have one vote for each ordinary share held on any matter presented to shareholders at the Annual Meeting.

What is the difference between being a “record holder” and holding shares in “street name”?

A record holder (also called a “registered holder”) holds shares in his or her name. Shares held in “street name” means that shares are held in the name of a bank, broker or other nominee on the holder’s behalf.

What do I do if my shares are held in “street name”?

If your shares are held in a brokerage account or by a bank or other holder of record, you are considered the “beneficial owner” of shares held in “street name.” The Notice and Access Card or the proxy materials, if you have elected to receive a hard copy, have been forwarded to you by your broker, bank or other nominee who is considered, with respect to those shares, the shareholder of record. As the beneficial owner, you have the right to direct your broker, bank or other holder of record on how to vote your shares by following their instructions for voting. Please refer to information from your bank, broker or other nominee on how to submit your voting instructions.

How many shareholders must be present to hold the Annual Meeting in order for there to be a quorum?

A quorum must be present at the Annual Meeting in order for any business to be transacted. One or more shareholders holding at least one third of the voting share capital of the Company present in person, or by remote communication, or by proxy and entitled to vote at that meeting shall form a quorum. If you sign and return your paper proxy card or authorize a proxy to vote electronically or telephonically, your shares will be counted to determine whether we have a quorum even if you abstain or fail to vote as indicated in the proxy materials.

[Table of Contents](#)

Broker non-votes will also be considered present for the purpose of determining whether there is a quorum for the Annual Meeting.

What are “broker non-votes”?

A “broker non-vote” occurs when shares held by a broker in “street name” for a beneficial owner are not voted with respect to a proposal because (1) the broker has not received voting instructions from the shareholder who beneficially owns the shares and (2) the broker lacks the authority to vote the shares at their discretion.

Under current stock exchange interpretations that govern broker non-votes, each of Proposal No. 1 for the election of directors and Proposal No. 3 for the approval, by special resolution, of an amendment and restatement of our Memorandum and Articles of Association is considered a non-discretionary matter, and a broker will lack the authority to vote uninstructed shares at their discretion on either proposal. Proposal No. 2 for the ratification, by ordinary resolution, of the appointment of Ernst & Young LLP as our independent registered public accounting firm is considered a discretionary matter, and a broker will be permitted to exercise its discretion to vote uninstructed shares on such proposal.

What if a quorum is not present at the Annual Meeting?

Under our Articles of Association, no business shall be transacted at the Annual Meeting unless a quorum of shareholders is present in person or by proxy at the time when the meeting proceeds to business. If a quorum is not present in person or by proxy within half an hour of the scheduled time of the Annual Meeting, the Annual Meeting shall stand adjourned to the same day in the next week, at the same time and place. If a quorum is not present or represented within half an hour of the scheduled time for the adjourned Annual Meeting the shareholders present and entitled to vote at the adjourned Annual Meeting, present in person or by proxy shall form a quorum.

How do I vote my shares without attending the Annual Meeting?

We recommend that shareholders vote by proxy even if they plan to attend the Annual Meeting and vote electronically. If you are a shareholder of record, there are three ways to vote by proxy:

- by Telephone—You can vote by telephone by calling 1-800-690-6903 and following the instructions on the proxy card;
- by Internet—You can vote over the Internet at www.proxyvote.com by following the instructions on the Internet Notice or proxy card; or
- by Mail—You can vote by mail by signing, dating and mailing the proxy card, which you may have received by mail.

Telephone and Internet voting facilities for shareholders of record will be available 24 hours a day and will close at 11:59 p.m., Eastern Time, on June 18, 2019.

If your shares are held in the name of a bank, broker or other holder of record, you will receive instructions on how to vote from the bank, broker or holder of record. You must follow the instructions of such bank, broker or holder of record in order for your shares to be voted.

How can I attend and vote at the Annual Meeting?

You will need to have a government-issued photo identification along with either your Notice and Access Card or proof of ownership of our shares as of the Record Date in order to enter the Annual Meeting. Proof of ownership may be any of the following:

- A brokerage statement or letter from a bank or broker indicating ownership on the Record Date;

[Table of Contents](#)

- A printout of the proxy distribution email (if you received your materials electronically); or
- A voting instruction form received from your bank, broker or nominee.

For directions to attend the Annual Meeting in person, please contact our General Counsel and Secretary at 646-440-9131 or bruce@meiragtx.com.

No cameras, recording equipment, electronic devices, large bags, briefcases or packages will be permitted in the Annual Meeting.

The meeting will begin promptly at 10:00 a.m., Eastern Time. Check-in will begin at 9:30 a.m., Eastern Time, and you should allow ample time for the check-in procedures.

How does the Board recommend that I vote?

The Board recommends that you vote:

- **FOR** the nominees to the Board set forth in this Proxy Statement.
- **FOR** the ratification, by ordinary resolution, of the appointment of Ernst & Young LLP as our independent registered public accounting firm for 2019.
- **FOR** the approval, by special resolution, of the amendment and restatement of our Memorandum and Articles of Association in the form attached as Annex A.

How many votes are required to approve each proposal?

The table below summarizes the proposals that will be voted on, the vote required to approve each item and how votes are counted:

<u>Proposal</u>	<u>Votes Required</u>	<u>Voting Options</u>	<u>Impact of "Withhold" or "Abstain" Votes</u>	<u>Broker Discretionary Voting Allowed</u>
Proposal No. 1: Election of Directors	The plurality of the votes cast. This means that the three nominees receiving the highest number of affirmative "FOR" votes will be elected as Class I directors.	"FOR ALL" "WITHHOLD ALL" "FOR ALL EXCEPT"	None(1)	No(3)
Proposal No. 2: Ratification, by Ordinary Resolution, of the Appointment of Our Independent Registered Public Accounting Firm	The affirmative vote of the holders of a simple majority of our ordinary shares present in person or by proxy and voting at the Annual Meeting.(5)	"FOR" "AGAINST" "ABSTAIN"	None(2)	Yes(4)
Proposal No. 3: Approval, by Special Resolution, of the Amendment and Restatement of Our Memorandum and Articles of Association	The affirmative vote of the holders of a majority of not less than two-thirds of our ordinary shares present in person or by proxy and voting at the Annual Meeting. (5)	"FOR" "AGAINST" "ABSTAIN"	None(2)	No(3)

(1) Votes that are "withheld" will have the same effect as an abstention and will not count as a vote "FOR" or "AGAINST" a director, because directors are elected by plurality voting.

[Table of Contents](#)

- (2) A vote marked as an “Abstention” is not considered a vote cast and will, therefore, not affect the outcome of this proposal.
- (3) As this proposal is not considered a discretionary matter, brokers lack authority to exercise their discretion to vote uninstructed shares on this proposal.
- (4) As this proposal is considered a discretionary matter, brokers are permitted to exercise their discretion to vote uninstructed shares on this proposal.
- (5) For both Proposal No. 2 and Proposal No. 3, this assumes voting is conducted by way of a poll and not a show of hands.

What if I do not specify how my shares are to be voted?

If you submit a proxy but do not indicate any voting instructions, the persons named as proxies will vote in accordance with the recommendations of the Board. The Board’s recommendations are set forth above, as well as with the description of each proposal in this Proxy Statement.

Who will count the votes?

Representatives of Broadridge Investor Communications Services (“Broadridge”) will tabulate the votes, and representatives of Broadridge will act as inspectors of election.

Can I revoke or change my vote after I submit my proxy?

Yes. Whether you have voted by Internet, telephone or mail, if you are a shareholder of record, you may change your vote and revoke your proxy by:

- sending a written statement to that effect to the attention of the Secretary at our corporate offices, provided such statement is received no later than June 18, 2019;
- voting again by Internet or telephone at a later time before the closing of those voting facilities at 11:59 p.m., Eastern Time, on June 18, 2019;
- submitting a properly signed proxy card with a later date that is received no later than June 18, 2019; or
- attending the Annual Meeting, revoking your proxy and voting in person.

If you hold shares in street name, you may submit new voting instructions by contacting your bank, broker or other nominee. You may also change your vote or revoke your proxy in person at the Annual Meeting if you obtain a signed proxy from the record holder (broker, bank or other nominee) giving you the right to vote the shares.

Your most recent proxy card or telephone or Internet proxy is the one that is counted. Your attendance at the Annual Meeting by itself will not revoke your proxy unless you give written notice of revocation to the Company before your proxy is voted or you vote in person at the Annual Meeting.

Who will pay for the cost of this proxy solicitation?

We will pay the cost of soliciting proxies. Proxies may be solicited on our behalf by directors, officers or employees (for no additional compensation) in person or by telephone, electronic transmission and facsimile transmission. Brokers and other nominees will be requested to solicit proxies or authorizations from beneficial owners and will be reimbursed for their reasonable expenses.

PROPOSAL NO. 1 ELECTION OF DIRECTORS

Board Size and Structure

In accordance with our Memorandum and Articles of Association as currently in effect (the “Articles”), the Board has the discretion to fix the minimum and maximum number of directors to serve on our Board and, unless such numbers are fixed, the minimum shall be one and the maximum shall be unlimited. Our Board has not set a maximum, and the Board currently consists of ten directors.

Our Articles provide that the Board be divided into three classes, Class I, Class II and Class III, with staggered, three-year terms. At each annual meeting of shareholders, the successors to directors whose terms then expire will be elected to serve from the time of election and qualification until the third annual general meeting following election. Each director shall hold office until the expiration of their term, until their successor shall have been duly elected and qualified or until their earlier death, resignation or removal. Generally, vacancies or newly created directorships on the Board will be filled by vote of a majority of the directors then in office. A director appointed by the Board to fill a vacancy will hold office until the next election of the class for which such director was chosen, subject to the election and qualification of his or her successor and his or her earlier death, resignation or removal.

Current Directors and Terms

Our current directors and their respective classes and terms are set forth below.

<u>Class I Directors with Current Term Ending at 2019 Annual Meeting</u>	<u>Class II Directors with Current Term Ending at 2020 Annual Meeting</u>	<u>Class III Directors with Current Term Ending at 2021 Annual Meeting</u>
Martin Indyk Arnold J. Levine, Ph.D. Gregory S. Moss Thomas E. Shenk, Ph.D.	Ellen Hukkelhoven, Ph.D Joel S. Marcus Stuart Naylor, Ph.D.	Alexandria Forbes, Ph.D. Keith R. Harris, Ph.D. Neil Mendoza

Nominees for Director

Mr. Indyk and Drs. Levine and Shenk have been nominated by the Board to stand for election. Mr. Moss will not be standing for reelection, and we thank him for his service and contribution to the Board. As Mr. Indyk and Drs. Levine and Shenk are directors assigned to Class I, their current term of service will expire at the Annual Meeting. If elected by the shareholders at the Annual Meeting, Mr. Indyk and Drs. Levine and Shenk will each serve for a term expiring at our annual meeting of shareholders to be held in 2022 (the “2022 Annual Meeting”) and the election and qualification of his successor or until his earlier death, resignation or removal.

Each person nominated for election has agreed to serve if elected, and management has no reason to believe that any nominee will be unable to serve. If, however, prior to the Annual Meeting, the Board of Directors should learn that any nominee will be unable to serve for any reason, the proxies that otherwise would have been voted for this nominee will be voted for a substitute nominee as selected by the Board. Alternatively, the proxies, at the Board’s discretion, may be voted for that fewer number of nominees as results from the inability of any nominee to serve. The Board has no reason to believe that any of the nominees will be unable to serve.

Information About Board Nominees and Continuing Directors

The following pages contain certain biographical information as of April 9, 2019 for each nominee for director and each director whose term as a director will continue after the Annual Meeting, including all positions he or she holds, his or her principal occupation and business experience for the past five years, and the names of other publicly-held companies of which the director or nominee currently serves as a director or has served as a director during the past five years.

[Table of Contents](#)

We believe that all of our directors and nominees display: personal and professional integrity; satisfactory levels of education and/or business experience; broad-based business acumen; an appropriate level of understanding of our business and its industry and other industries relevant to our business; the ability and willingness to devote adequate time to the work of our Board of Directors and its committees; skills and personality that complement those of our other directors that helps build a board that is effective, collegial and responsive to the needs of our Company; strategic thinking and a willingness to share ideas; a diversity of experiences, expertise and background; and the ability to represent the interests of all of our shareholders. **PROPOSAL NO. 2 RATIFICATION OF APPOINTMENT OF INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM**

Appointment of Independent Registered Public Accounting Firm

The audit committee appoints our independent registered public accounting firm. In this regard, the audit committee evaluates the qualifications, performance and independence of our independent registered public accounting firm and determines whether to re-engage our current firm. As part of its evaluation, the audit committee considers, among other factors, the quality and efficiency of the services provided by the firm, including the performance, technical expertise, industry knowledge and experience of the lead audit partner and the audit team assigned to our account; the overall strength and reputation of the firm; the firm's global capabilities relative to our business; and the firm's knowledge of our operations. Ernst & Young LLP has served as our independent registered public accounting firm since 2016. Neither the accounting firm nor any of its members has any direct or indirect financial interest in or any connection with us in any capacity other than as our auditors and providing audit and permissible non-audit related services. Upon consideration of these and other factors, the audit committee has appointed Ernst & Young LLP to serve as our independent registered public accounting firm for the year ending December 31, 2019.

Although ratification is not required by our Articles or otherwise, the Board is submitting the selection of Ernst & Young LLP to our shareholders for ratification because we value our shareholders' views on the Company's independent registered public accounting firm and it is a good corporate governance practice. If our shareholders do not ratify the selection, it will be considered as notice to the Board and the audit committee to consider the selection of a different firm. Even if the selection is ratified, the audit committee, in its discretion, may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its shareholders.

Representatives of Ernst & Young LLP are expected to attend the Annual Meeting and to have an opportunity to make a statement and be available to respond to appropriate questions from shareholders.

Audit, Audit-Related, Tax and All Other Fees

The table below sets forth the aggregate fees billed to MeiraGTx for services related to the fiscal years ended December 31, 2018 and 2017, respectively, by Ernst & Young LLP, our independent registered public accounting firm.

	<u>Year Ended December 31,</u>	
	<u>2018</u>	<u>2017</u>
Audit Fees(1)	\$ 1,485,800	\$ 150,000
Audit-Related Fees	—	—
Tax Fees(2)	709,465	186,092
All Other Fees	—	—
	<u>\$ 2,195,265</u>	<u>\$ 336,092</u>

(1) Audit fees for 2018 consisted of professional services rendered for the audit of our financial statements, including the review of our quarterly financial statements. Additionally, audit fees for 2018 consist of professional services rendered for our Form S-1 filed in connection with our initial public offering. Audit fees for 2017 consisted of professional services rendered for the audit of our financial statements.

(2) Tax fees for 2018 and 2017 consisted of professional services rendered for corporate tax compliance and tax advisory services.

Pre-Approval Policies and Procedures

The formal written charter for our audit committee requires that the audit committee, or the chair of the audit committee, pre-approve all audit services to be provided to us, whether provided by our principal auditor or other

[Table of Contents](#)

firms, and all other services (review, attest and non-audit) to be provided to us by our independent registered public accounting firm in accordance with the Company's audit services pre-approval policy (as amended from time to time), other than de minimis non-audit services approved in accordance with applicable SEC rules.

The audit committee has adopted a pre-approval policy that sets forth the procedures and conditions pursuant to which audit and non-audit services proposed to be performed by our independent registered public accounting firm may be pre-approved. This pre-approval policy generally provides that the audit committee will not engage an independent registered public accounting firm to render any audit, audit-related, tax or permissible non-audit service unless the service is either (i) explicitly approved by the audit committee or (ii) entered into pursuant to the pre-approval policies and procedures described in the pre-approval policy. Unless a type of service to be provided by our independent registered public accounting firm has received this latter general pre-approval under the pre-approval policy, it requires specific pre-approval by the audit committee.

On an annual basis, the audit committee reviews and generally pre-approves the services (and related fee levels or budgeted amounts) that may be provided by the Company's independent registered public accounting firm without first obtaining specific pre-approval from the audit committee. The audit committee may revise the list of general pre-approved services from time to time, based on subsequent determinations. Any member of the audit committee to whom the committee delegates authority to make pre-approval decisions must report any such pre-approval decisions to the audit committee at its next scheduled meeting. If circumstances arise where it becomes necessary to engage the independent registered public accounting firm for additional services not contemplated in the original pre-approval categories or above the pre-approved amounts, the audit committee requires pre-approval for such additional services or such additional amounts.

The services provided to us by Ernst & Young LLP in 2017 and 2018 were provided in accordance with our pre-approval policies and procedures, as applicable.

Board Recommendation

The Board of Directors unanimously recommends a vote **FOR** the ratification, by ordinary resolution, of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2019.

Audit Committee Report

The audit committee operates pursuant to a charter which is reviewed annually by the audit committee. Additionally, a brief description of the primary responsibilities of the audit committee is included in this Proxy Statement under the discussion of "Corporate Governance— Audit Committee." Under the audit committee charter, management is responsible for the preparation, presentation and integrity of the Company's financial statements, the application of accounting and financial reporting principles and our internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent registered public accounting firm is responsible for auditing our financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States.

In the performance of its oversight function, the audit committee reviewed and discussed with management and Ernst & Young LLP, as the Company's independent registered public accounting firm, the Company's audited financial statements for the fiscal year ended December 31, 2018. The audit committee also discussed with the Company's independent registered public accounting firm the matters required to be discussed by applicable standards of the Public Company Accounting Oversight Board (the "PCAOB"). In addition, the audit committee received and reviewed the written disclosures and the letters from the Company's independent registered public accounting firm required by applicable requirements of the PCAOB, regarding such independent registered public accounting firm's communications with the audit committee concerning independence, and discussed with the Company's independent registered public accounting firm their independence from the Company.

[Table of Contents](#)

Based upon the review and discussions described in the preceding paragraph, the audit committee recommended to the Board that the Company's audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2018 filed with the SEC.

PROPOSAL NO. 3 APPROVAL OF PROPOSAL TO AMEND AND RESTATE THE MEMORANDUM AND ARTICLES OF ASSOCIATION

General

On April 4, 2019, the Board approved and declared advisable the amendment and restatement of our Articles (as amended and restated, the “Amended and Restated Memorandum and Articles of Association”). We believe that these changes are necessary in order to put into effect the Board of Directors’ decision to make the Company a tax resident within the U.K. and ensure that the Company does not inadvertently become tax resident in more than one location. If this were to happen, then there could be additional compliance and administrative costs placed on the Company that would not be of benefit to the Company or its Shareholders.

Proposed Changes to the Articles

References to the Articles in the summary below are to the sections reflected in Annex A and not necessarily the Articles in effect as of the date hereof. The description of the proposed changes to the Articles contained in this Proxy Statement does not purport to be complete and is qualified in its entirety by reference to the full text of the form of the Amended and Restated Memorandum and Articles of Association attached to this Proxy Statement as Annex A.

Given that the Board of Directors conducts its affairs so that the central management and control of the Company is exercised in the U.K. it is proposed that the Articles be amended as follows:

- Article 106 be amended to provide that the Company must maintain a facsimile of its common seal (if such seal has been adopted) in the U.K.
- Article 109 be amended to provide that all proceedings of the Board of Directors will be transacted by the Board of Directors within the U.K.
- Article 111 be amended to provide that the quorum necessary to convene a meeting of the Board of Directors shall be a majority of the Directors appointed at that point in time, and a majority of those Directors present at the meeting must be in the U.K.
- Article 117 be amended to provide that in order to validly pass a written resolution of the Board of Directors, the resolution must be signed by a majority of Directors, present in the UK at the time of signing the resolution.
- Article 132 be amended to provide that books or account shall be kept at such place or places within the U.K. as the Board of Directors think fit.

Additional non-material changes have been made to the Articles in order to correct minor typographical errors, reflect general legislative updates since the last full adoption of the Articles in 2018.

Effective Date

The Amended and Restated Articles of Association will become effective on the passing of the special resolution at the Annual Meeting.

Board Recommendation

The Board of Directors unanimously recommends a vote **FOR** the approval, by special resolution, of the amendment and restatement of the company’s Memorandum and Articles of Association in the form attached hereto as Annex A.

CORPORATE GOVERNANCE

Corporate Governance Guidelines

Our Board of Directors has adopted Corporate Governance Guidelines. A copy of these Corporate Governance Guidelines can be found in the “Corporate Governance—Documents & Charters” section of the “Investors & Media” page of our website located at <https://meiragtx.com/>, or by writing to our Secretary at our offices at 430 East 29th Street, 10th Floor, New York, New York 10016. Among the topics addressed in our Corporate Governance Guidelines are:

- Board size, independence and qualifications
- Executive sessions of independent directors
- Board leadership structure
- Selection of new directors
- Director orientation and continuing education
- Limits on board service
- Change of principal occupation
- Term limits
- Director responsibilities
- Director compensation
- Share ownership
- Board access to senior management
- Board access to independent advisors
- Board self-evaluations
- Board meetings
- Meeting attendance by directors and non-directors
- Meeting materials
- Board committees, responsibilities and independence
- Succession planning
- Risk Management

Board Leadership Structure

Our Corporate Governance Guidelines provide our Board of Directors with flexibility to combine or separate the positions of Chairperson of the Board and Chief Executive Officer in accordance with its determination that utilizing one or the other structure would be in the best interests of the Company and its shareholders. If the Chairperson of the Board is a member of management or does not otherwise qualify as independent, our Corporate Governance Guidelines provide for the appointment by the independent directors of a lead independent director (the “Lead Director”). The Lead Director’s responsibilities include, but are not limited to: presiding over all meetings of the Board at which the Chairperson of the Board is not present, including any executive sessions of the independent directors; approving Board meeting schedules and agendas; and acting as the liaison between the independent directors and the Chief Executive Officer and Chairperson of the Board. Our Corporate Governance Guidelines provide that, at such times as the Chairperson of the Board qualifies as independent, the Chairperson of the Board will carry out the duties of the Lead Director, as applicable.

[Table of Contents](#)

The positions of our Chair of the Board and our Chief Executive Officer and President are currently served by two separate persons. Dr. Harris serves as Chairman of the Board, and Dr. Forbes serves as our Chief Executive Officer and President. In his capacity as the independent Board Chair, Dr. Harris performs the functions of the Lead Director.

The Board believes our current leadership structure of Chief Executive Officer and Chair of the Board being held by two separate individuals is in the best interests of the Company and its shareholders and strikes the appropriate balance between the Chief Executive Officer and President's responsibility for the strategic direction, day-to-day leadership and performance of our Company and the Chair of the Board's responsibility to guide overall strategic direction of our Company and provide oversight of our corporate governance and guidance to our Chief Executive Officer and President and to set the agenda for and preside over Board meetings. We recognize that different leadership structures may be appropriate for companies in different situations and believe that no one structure is suitable for all companies. Accordingly the Board will continue to periodically review our leadership structure and make such changes in the future as it deems appropriate and in the best interests of the Company and its shareholders.

Director Independence

Under our Corporate Governance Guidelines and the Nasdaq rules, a director is not independent unless the Board affirmatively determines that he or she does not have a direct or indirect material relationship with us or any of our subsidiaries. In addition, the director must meet the bright-line tests for independence set forth by the Nasdaq rules.

Our Board has undertaken a review of its composition, the composition of its committees and the independence of our directors and considered whether any director has a material relationship with us that could compromise his or her ability to exercise independent judgment in carrying out his or her responsibilities. Based upon information requested from and provided by each director concerning his or her background, employment and affiliations, including family relationships, our Board of Directors has determined that none of Keith R. Harris, Ph.D., Ellen Hukkelhoven, Ph.D., Martin Indyk, Arnold J. Levine, Ph.D., Joel S. Marcus and Neil Mendoza, representing six of our ten directors, has a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors qualifies as "independent" as that term is defined under the Nasdaq rules. In making this determination, our Board of Directors considered the relationships that each non-employee director has with us and all other facts and circumstances our Board of Directors deemed relevant in determining their independence, including the director's beneficial ownership of our ordinary shares and the relationships of our non-employee directors with certain of our significant shareholders.

Board Committees

Our Board of Directors has three standing committees: an audit committee, a compensation committee and a nominating and corporate governance committee, each of which has the composition and the responsibilities described below. In addition, from time to time, special committees may be established under the direction of our Board when necessary to address specific issues. Each of the audit committee, the compensation committee and the nominating and corporate governance committee operates under a written charter.

<u>Director</u>	<u>Audit Committee</u>	<u>Compensation Committee</u>	<u>Nominating and Corporate Governance Committee</u>

Audit Committee

We have a separately-designated standing audit committee. Our audit committee is responsible for, among other things:

- appointing, approving the compensation of, and assessing the independence of our registered public accounting firm;
- overseeing the work of our registered public accounting firm, including through the receipt and consideration of reports from such firm;
- reviewing and discussing with management and the registered public accounting firm our annual and quarterly financial statements and related disclosures;
- coordinating our Board of Directors' oversight of our internal control over financial reporting, disclosure controls and procedures and code of business conduct and ethics;
- discussing our risk management policies;
- meeting independently with our internal auditing staff, if any, registered public accounting firm and management;
- reviewing and approving or ratifying any related person transactions;
- pre-approving all audit and non-audit services provided to us by our independent auditor (other than those provided pursuant to appropriate preapproval policies established by the committee or exempt from such requirement under SEC rules);
- establishing procedures for the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls or auditing matters, and for the confidential and anonymous submission by our employees of concerns regarding questionable accounting or auditing matters; and
- preparing the audit committee report required by SEC rules.

Our audit committee currently consists of Joel S. Marcus, Neil Mendoza and Keith R. Harris, Ph.D., who serves as chair. All members of our audit committee meet the requirements for financial literacy under the applicable Nasdaq rules and regulations. Our Board of Directors has affirmatively determined that each member of our audit committee qualifies as "independent" under Nasdaq's heightened standards and Rule 10A-3 of the Exchange Act of 1934, as amended (the "Exchange Act") applicable audit committee members, and that each of Keith R. Harris, Ph.D. and Joel S. Marcus qualifies as an "audit committee financial expert," as such term is defined in Item 407(d)(5) of Regulation S-K.

Compensation Committee

Our compensation committee is responsible for, among other things:

- reviewing and approving, or recommending for approval by the Board of Directors, the compensation of our Chief Executive Officer and our other executive officers;
- overseeing and administering our cash and equity incentive plans;
- reviewing and making recommendations to our Board of Directors with respect to director compensation;
- reviewing and discussing annually with management our "Compensation Discussion and Analysis," to the extent required;
- reviewing with management our major compensation-related risk exposures and the steps management has taken, or should consider taking, to monitor or mitigate such exposures; and
- preparing the annual compensation committee report required by SEC rules, to the extent required.

[Table of Contents](#)

Our compensation committee currently consists of Arnold J. Levine, Ph.D., Neil Mendoza and Keith R. Harris, Ph.D., who serves as chair. Our Board of Directors has determined that each member of our compensation committee qualifies as “independent” under Nasdaq’s heightened standards applicable to compensation committee members and is a “non-employee director” as defined in Section 16b-3 of the Exchange Act.

The compensation committee has the authority to retain or obtain the advice of compensation consultants, legal counsel and other advisors to assist in carrying out its responsibilities. Before selecting any such consultant, counsel or advisor, the compensation committee reviews and considers the independence of such consultant, counsel or advisor in accordance with applicable Nasdaq rules. We must provide appropriate funding for payment of reasonable compensation to any advisor retained by the compensation committee.

Compensation Consultants

In accordance with its authority to retain consultants and advisors described above, the compensation committee engaged the services of Total Compensation Solutions (“TCS”) as its compensation consultant to provide advice, consulting and guidance on executive, non-employee director and employee retention and incentive plans.

All services related to executive compensation provided by TCS during 2018 were conducted under the direction or authority of the compensation committee, and all work performed by TCS was pre-approved by the compensation committee. Neither TCS nor any of its affiliates maintains any other direct or indirect business relationships with us or any of our subsidiaries. Additionally, during 2018, TCS did not provide any services to us unrelated to executive and director compensation.

The compensation committee evaluated whether any work provided by TCS raised any conflict of interest for services performed during 2018 and determined that it did not.

Nominating and Corporate Governance Committee

Our nominating and corporate governance committee is responsible for, among other things:

- identifying individuals qualified to become members of our Board;
- recommending to our Board the persons to be nominated for election as directors and to each committee of the Board;
- developing and recommending to our Board of Directors corporate governance guidelines, and reviewing and recommending to our Board of Directors proposed changes to our corporate governance guidelines from time to time; and
- overseeing a periodic evaluation of our Board of Directors.

Our nominating and corporate governance committee currently consists of Keith R. Harris, Ph.D., Neil Mendoza and Joel S. Marcus, who serves as chair. Our Board has determined that each member of our nominating and corporate governance committee qualifies as “independent” under applicable Nasdaq rules applicable to nominating and corporate governance committee members.

Board and Board Committee Meetings and Attendance

During fiscal 2018, our Board of Directors met eight times, the audit committee met six times, the compensation committee met four times and the nominating and corporate governance committee met four times. In 2018, each of our directors attended at least 75% of the meetings of the Board and committees on which such director served as a member.

Executive Sessions

Executive sessions, which are meetings of the non-management members of the Board, are regularly scheduled throughout the year. In addition, at least twice a year, the independent directors meet in a private session that excludes management and any non-independent directors. At each of these meetings, the non-management and independent directors in attendance, as applicable, determine which member will preside at such session.

Director Attendance at the Annual Meeting of Shareholders

We do not have a formal policy regarding the attendance of our Board members at our annual meetings of shareholders, but we expect all directors to make every effort to attend any meeting of shareholders.

Director Nominations Process

The nominating and corporate governance committee is responsible for recommending candidates to serve on the Board and its committees. In considering whether to recommend any particular candidate to serve on the Board or its committees or for inclusion in the Board's slate of recommended director nominees for election at the annual meeting of shareholders, the nominating and corporate governance committee considers the criteria set forth in our Corporate Governance Guidelines. Specifically, the nominating and corporate governance committee may take into account many factors, including: personal and professional integrity, ethics and values; experience in corporate management, such as serving as an officer or former officer of a publicly held company; strong finance experience; relevant social policy concerns; experience relevant to the Company's industry; experience as a board member or executive officer of another publicly held company; relevant academic expertise or other proficiency in an area of the Company's operations; diversity of expertise and experience in substantive matters pertaining to the Company's business relative to other Board members; diversity of background and perspective, including, but not limited to, with respect to age, gender, race, place of residence and specialized experience; practical and mature business judgment, including, but not limited to, the ability to make independent analytical inquiries; and any other relevant qualifications, attributes or skills. In determining whether to recommend a director for re-election, the nominating and corporate governance committee may also consider the director's past attendance at meetings and participation in and contributions to the activities of the Board.

We do not have a formal policy with regard to the consideration of diversity in identifying director nominees. The Board evaluates each individual in the context of the Board as a whole, with the objective of assembling a group that can best perpetuate the success of the business and represent shareholder interests through the exercise of sound judgment using its diversity of experience in these various areas.

In identifying prospective director candidates, the nominating and corporate governance committee may seek referrals from other members of the Board, management, shareholders and other sources, including third party recommendations. The nominating and corporate governance committee also may, but need not, retain a search firm in order to assist it in identifying candidates to serve as directors of the Company. The nominating and corporate governance committee uses the same criteria for evaluating candidates regardless of the source of the referral or recommendation. When considering director candidates, the nominating and corporate governance committee seeks individuals with backgrounds and qualities that, when combined with those of our incumbent directors, provide a blend of skills and experience to further enhance the Board's effectiveness. In connection with its annual recommendation of a slate of nominees, the nominating and corporate governance committee also may assess the contributions of those directors recommended for re-election in the context of the Board evaluation process and other perceived needs of the Board.

Arnold J. Levine, Ph.D. and Thomas E. Shenk, Ph.D. were each initially elected to our board by recommendation of our chief executive officer and, Martin Indyk was appointed to the Board on the recommendation of our nominating and corporate governance committee. Each of the Class I director nominees to be elected at the Annual Meeting was evaluated in accordance with our standard review process for director candidates in

connection with their initial appointment and their nomination for election or re-election, as applicable, at the Annual Meeting. The Voting Agreement terminated by its terms in connection with the closing of our IPO, and none of our stockholders currently have any continuing rights regarding the election or designation of members of our Board of Directors.

Each of the director nominees to be elected at the Annual Meeting was evaluated in accordance with our standard review process for director candidates in connection with their initial appointment and their nomination for election or re-election, as applicable, at the Annual Meeting.

When considering whether the directors and nominees have the experience, qualifications, attributes and skills, taken as a whole, to enable the Board to satisfy its oversight responsibilities effectively in light of our business and structure, the Board focused primarily on the information discussed in each of the Board member's biographical information set forth above. We believe that our directors provide an appropriate mix of experience and skills relevant to the size and nature of our business. This process resulted in the Board's nomination of the incumbent directors named in this Proxy Statement and proposed for election by you at the Annual Meeting.

The nominating and corporate governance committee will consider director candidates recommended by shareholders, and such candidates will be considered and evaluated under the same criteria described above. Any recommendation submitted to the Company should be in writing and should include any supporting material the shareholder considers appropriate in support of that recommendation, but must include information that would be required under the rules of the SEC to be included in a proxy statement soliciting proxies for the election of such candidate and a written consent of the candidate to serve as one of our directors if elected. Shareholders wishing to propose a candidate for consideration may do so by submitting the above information to the attention of our Secretary, MeiraGTx Holdings plc, 430 East 29th Street, 10th Floor, New York, New York 10016. All recommendations for nominations received by our Secretary that satisfy the requirements under the rules of the SEC relating to such director nominations will be presented to the nominating and corporate governance committee for its consideration. For additional information, regarding shareholder proposals, see "Shareholder Proposals and Director Nominations."

Board Role in Risk Oversight

The Board of Directors has overall responsibility for risk oversight, including, as part of regular Board and committee meetings, general oversight of executives' management of risks relevant to the Company. A fundamental part of risk oversight is not only understanding the material risks a company faces and the steps management is taking to manage those risks, but also understanding what level of risk is appropriate for the Company. The involvement of the Board of Directors in reviewing our business strategy is an integral aspect of the Board's assessment of management's tolerance for risk and its determination of what constitutes an appropriate level of risk for the Company. While the full Board has overall responsibility for risk oversight, it is supported in this function by its audit committee, compensation committee and nominating and corporate governance committee. Each of the committees regularly reports to the Board.

The audit committee assists the Board in fulfilling its risk oversight responsibilities by periodically reviewing our accounting, reporting and financial practices, including the integrity of our financial statements, the surveillance of administrative and financial controls, our compliance with legal and regulatory requirements and our enterprise risk management program. Through its regular meetings with management, including the finance, legal, internal audit, tax, compliance, and information technology functions, the audit committee reviews and discusses significant areas of our business and summarizes for the Board areas of risk and the appropriate mitigating factors. The compensation committee assists the Board by overseeing and evaluating risks related to the Company's compensation structure and compensation programs, including the formulation, administration and regulatory compliance with respect to compensation matters, and coordinating, along with the Board's Chair, succession planning discussions. The nominating and corporate governance committee assists the Board by overseeing and evaluating programs and risks associated with Board organization, membership and structure, and

corporate governance. In addition, our Board receives periodic detailed operating performance reviews from management.

Anti-Hedging Policy

Our Board of Directors has adopted an Insider Trading Compliance Policy, which applies to all of our directors, officers and employees. The policy prohibits our directors, officers and employees from engaging in hedging or monetization transactions, such as zero-cost collars and forward sale contracts; short sales; and transactions in publicly traded options, such as puts, calls and other derivatives involving our equity securities.

Any shareholder or any other interested party who desires to communicate with our Board of Directors, our non-management directors or any specified individual director, may do so by directing such correspondence to the attention of our Secretary, MeiraGTx Holdings plc, 430 East 29th Street, 10th Floor, New York, New York 10016. EXECUTIVE COMPENSATION**Overview**

This section discusses the material components of the executive program for our executive officers who are named in the “2018 Summary Compensation Table” below. In 2018, our “named executive officers” and their positions were as follows:

- Alexandria Forbes, Ph.D., President and Chief Executive Officer;
- Richard Giroux, Chief Operating Officer; and
- Stuart Naylor, Ph.D., Chief Development Officer.

The Company believes it experienced exceptional results in 2018 and achieved significant milestones in a number of key areas, including fundraising, clinical, regulatory and overall business development. These results were largely driven by a small team of senior management led by Dr. Forbes, our Chief Executive Officer, Mr. Giroux, our Chief Operating Officer, and Dr. Naylor, our Chief Development Officer. The compensation committee sought to reward these individuals for the Company’s achievements during 2018 and its compensation decisions for 2018 reflect the committee’s desire to recognize the achievement of goals intended to increase shareholder value, while enhancing the retention of key executives who drive this performance.

Narrative to Summary Compensation Table

Base Salaries

The named executive officers receive a base salary to compensate them for services rendered to our company. The base salary payable to each named executive officer is intended to provide a fixed component of compensation reflecting the executive's skill set, experience, role and responsibilities.

Pursuant to the terms of their employment agreements, the base salaries of Dr. Forbes and Mr. Giroux were initially set at \$390,000 and \$320,000, respectively, and were increased to \$450,000 and \$400,000, respectively, in April 2016, in connection with our attaining a fundraising milestone. The base salaries of Dr. Forbes and Mr. Giroux were subsequently increased to \$580,000 and \$495,000, respectively, in connection with our attaining a second fundraising milestone in March 2018.

Dr. Naylor received an initial annual base salary of £200,000 pursuant to the terms of his employment agreement. His annual base salary was increased to £275,000 in January 2018 and to £310,000 in January 2019.

Bonuses

Dr. Forbes and Mr. Giroux are entitled to guaranteed annual cash bonus payments and may receive performance-based bonuses pursuant to the terms of their employment agreements, as described in more detail below under "Executive Compensation Arrangements—Dr. Forbes and Mr. Giroux." In January 2018, the compensation committee determined that the guaranteed and performance based bonus amounts payable to Dr. Forbes and Mr. Giroux for 2017 would be \$1,078,000 and \$968,000, respectively, and that these amounts would be paid only upon the company's satisfaction of performance milestones relating to (i) receipt of grant funds exceeding a threshold amount, (ii) equity investments or other upfront payments resulting in a cash balance above a threshold amount or (iii) the closing of an initial public offering. Consequently, Dr. Forbes and Mr. Giroux became entitled to these bonus payments in connection with our achieving a fundraising milestone in early 2018. In January 2019, the compensation committee assessed Company performance during 2018 based on our achievement of a number of clinical, regulatory and corporate milestones during the year and determined that the guaranteed and performance based bonus amounts payable to Dr. Forbes and Mr. Giroux for 2018 would be \$1,950,000 and \$1,465,000, respectively. These bonuses were paid in January 2019 and are included in the "bonus" column of the 2018 Summary Compensation Table above.

Pursuant to his employment agreement, Dr. Naylor has the opportunity to earn an annual discretionary bonus. In January 2019 the compensation committee determined to pay Dr. Naylor a bonus for 2018 performance of \$750,000 based on an assessment of the Company's achievement of the performance milestones described above.

Equity Compensation

Our named executive officers hold restricted ordinary shares and options to purchase ordinary shares. In January 2018 and December 2018, the named executive officers were granted options as set forth below. The options generally vest as to 25% of the shares subject to the option on the first anniversary of the grant date and in 36 substantially equal monthly installments thereafter.

<u>Named Executive Officer</u>	<u>January 2018</u>	<u>December 2018</u>
Alexandria Forbes, Ph.D.	103,066	130,000
Richard Giroux	96,624	105,000
Stuart Naylor, Ph.D	90,182	100,000

Pursuant to their employment agreements, Dr. Forbes and Mr. Giroux are entitled to annual grants of restricted ordinary shares. The number of restricted shares subject to each such award is determined by the compensation committee, with input from our chief executive officer with respect to the grant to Mr. Giroux. For 2018, the compensation committee, with respect to Dr. Forbes, and the chief executive officer, with respect to Mr. Giroux, determined not to make any such grants.

[Table of Contents](#)

Dr. Forbes and Mr. Giroux are also entitled to certain equity-based incentive awards upon our achievement of certain corporate or financial milestones as set forth in their employment agreements. In connection with our attaining a fundraising milestone on March 1, 2018, each of Dr. Forbes and Mr. Giroux became entitled to a grant of fully vested shares in an amount equal to 1.5% of our outstanding shares on a fully diluted basis plus payment of any associated income taxes incurred by the named executive officer. In March 2018, we issued each of Dr. Forbes and Mr. Giroux 275,081 vested ordinary shares and paid \$1,680,101 for the associated taxes incurred by each of Dr. Forbes and Mr. Giroux.

In connection with our IPO, each of Dr. Forbes and Mr. Giroux became entitled to a grant of restricted shares in an amount equal to 2.5% of our outstanding shares on a fully diluted basis, which we refer to as the Executive IPO Grants. In June 2018, we issued each of Dr. Forbes and Mr. Giroux 653,174 restricted shares. One-third of the restricted shares subject to the Executive IPO Grants were vested at grant and the remaining shares vest in eight quarterly installment beginning three months thereafter. In connection with the vesting of these shares we paid \$3,544,558 in June 2018, \$706,546 in September 2018 and \$741,400 in December 2018 for the associated taxes incurred by each of Dr. Forbes and Mr. Giroux. These amounts are included in the “All Other Compensation” column of the 2018 Summary Compensation Table above.

In connection with our IPO we adopted a 2018 Incentive Award Plan, referred to as the 2018 Plan, in order to facilitate the grant of cash and equity incentives to directors, employees (including our named executive officers) and consultants of our company and certain of its affiliates and to enable our company and certain of its affiliates to obtain and retain services of these individuals, which is essential to our long-term success. Following the effectiveness of the 2018 Plan, we ceased making grants under the MeiraGTx Limited 2016 Equity Incentive Plan, referred to as the 2016 Plan, under which we previously made grants of equity and equity-based awards to our named executive officers and other key employees.

Other Elements of Compensation

Retirement Plans

We maintain a 401(k) retirement savings plan for our employees employed in the United States who satisfy certain eligibility requirements and contribute to defined contribution pension schemes on behalf of our employees employed in the United Kingdom. Our named executive officers are eligible to participate in our 401(k) plan in the United States on the same terms as other full-time employees. We match 100% of employee contributions to our 401(k) plan, up to 6% of eligible compensation. For Dr. Naylor and certain other members of senior management who are employed in the United Kingdom, we make pension contributions to defined contribution pension schemes equal to 10% of the employee’s qualifying earnings. Our other employees in the United Kingdom receive pension contributions equal to 7% of qualifying earnings. We believe that providing a vehicle for tax-deferred retirement savings adds to the overall desirability of our executive compensation package and further incentivizes our employees, including our named executive officers, in accordance with our compensation policies.

Employee Benefits

All of our full-time employees, including our named executive officers, are eligible to participate in our health and welfare plans, subject to the same terms and eligibility requirements.

Executive Compensation Arrangements

We have entered into employment agreements with each of our named executive officers. Certain key terms of these agreements are described below.

Dr. Forbes and Mr. Giroux

We entered into employment agreements with Dr. Forbes and Mr. Giroux in February 2016. The agreements have an initial term of three years and automatically renew for successive one-year periods unless notice of non-renewal is provided by either party at least 90 days prior to the expiration of the then-current term.

Pursuant to the employment agreements, Dr. Forbes and Mr. Giroux are entitled to annual base salaries in the amounts described above under “Base Salaries,” annual cash bonuses equal to 100% of their respective base salaries, referred to as the guaranteed bonus, and the opportunity to earn annual performance-based bonuses targeted at 60% of base salary for Dr. Forbes and 50% of base salary for Mr. Giroux, referred to as the performance bonus.

In the event we complete a strategic collaboration resulting in upfront payments to us, each of Dr. Forbes and Mr. Giroux is entitled to a cash bonus in an amount determined by the compensation committee and, with respect

[Table of Contents](#)

to Mr. Giroux, the chief executive officer, provided that such bonus will not be less than 1% of the upfront payments received by us in such collaboration. There is no limit on the number of bonuses the executives may receive per year pursuant to this arrangement.

In the event either of Dr. Forbes's or Mr. Giroux's employment is terminated due to death or disability, or Dr. Forbes or Mr. Giroux resigns employment without good reason, which includes the executive's election not to renew the term of the employment agreement, the executive (or the executive's estate or beneficiary) is entitled to receive the executive's base salary, guaranteed bonus, and performance bonus as if the executive's employment had continued for an additional 12-month period.

In the event either of Dr. Forbes or Mr. Giroux is terminated by us for any reason other than cause, including due to a change in control, the company elects not to renew the term of the employment agreement, or Dr. Forbes or Mr. Giroux resigns for good reason, the executive is entitled to (i) three months' notice of termination or pay in lieu of notice, (ii) receive the executive's base salary, guaranteed bonus, and performance bonus as if the executive's employment had continued for an additional 24 month period (including a pro-rated guaranteed bonus and performance bonus for any stub periods), (iii) employee benefits and post-employment employee benefits and conversion rights in accordance with the terms and conditions of the plans, policies, programs, or perquisites in which the executive participates for a period of 24 months following the end of the then-current term, (iv) incentive and deferred compensation incentive rights in accordance with the terms and conditions of the incentive and deferred compensation plans in which the executive participates; provided, however, that the executive shall be deemed fully vested in any incentive and deferred compensation awards under such plans upon a termination, (v) accelerated vesting of any unvested restricted shares and equity incentive awards, (vi) to the extent not yet granted, be granted fully vested ordinary shares for any awards to which the executive may at the time be entitled as if all conditions applicable to such award were met, and (vii) be paid, within 30 days of termination, a cash termination fee equivalent to 1.50% for Dr. Forbes, or 1% for Mr. Giroux, of the average "market value" of our shares during the 90-trading day period prior to the termination plus payment of any taxes owed by the executive as a result of such termination fee. For purposes of the employment agreements, "market value" means the number obtained by multiplying (x) the aggregate number of shares of our voting and non-voting common equity (including shares held by employees and affiliates) by (y) the average of the last closing prices of our common equity in the principal market for such common equity, as adjusted on a pro-rata basis for any mechanical adjustments in our equity resulting from forward or reverse share splits.

For purposes of the employment agreements, "cause" means the executive's (i) conviction of a felony involving moral turpitude, (ii) embezzlement, or (iii) intentional and willful misconduct that may subject us to criminal liability, which misconduct is not cured within 30 days after written notice to the executive of such conduct, if curable.

For purposes of the employment agreements, "good reason" means (i) any material diminution of the executive's title, duties, work responsibilities, authority, or status, or the assignment of duties that would typically be performed by someone in the executive's position to an individual other than the executive, (ii) a material negative change in the executive's reporting structure, (iii) a change in control, (iv) a reduction in the executive's then current base salary, (v) a change in the executive's principal place of employment to a location more than 15 miles from Manhattan, New York, (vi) our breach of the employment agreement that is not cured within 30 days after receiving notice of such breach, (vii) our insistence that the executive perform or condone any illegal conduct, or (viii) a hostile or abusive work environment or harassment.

Dr. Naylor

We have entered into an employment agreement with Dr. Naylor, pursuant to which he serves as our Chief Development Officer. The agreement is for an unspecified term and may be terminated by either party upon no less than 12-months' notice, or pay in lieu of notice.

[Table of Contents](#)

Pursuant to his employment agreement, Dr. Naylor received an initial annual base salary of £200,000, which was increased to £275,000 in January 2018 and to £310,000 in January 2019, and has the opportunity to earn discretionary annual bonuses.

Dr. Naylor's employment agreement contains certain restrictive covenants pursuant to which he has agreed to refrain from competing with us or soliciting certain of our clients, customers or employees, in each case, for a period of 12 months following his termination of employment.

Potential Payments Upon a Change in Control

As described above in the section titled "Executive Compensation Arrangements—Dr. Forbes and Mr. Giroux", Dr. Forbes and Mr. Giroux may become entitled to certain payments and benefits in connection with a change in control of our company.

DIRECTOR COMPENSATION

Overview

Prior to our IPO, we provided our non-employee directors with meeting fees for each meeting of the Board or committee attended, in person or telephonically. Non-employee directors received \$4,000 (or \$6,000 for the chairman) for each meeting of the Board attended in person and \$1,000 for each meeting of the Board attended telephonically. Non-employee directors who were on committees of the Board received \$500 (or \$1,000 for the chairman of the committee) for each committee meeting attended in person or telephonically. Directors who are also employees of our company do not receive compensation for their service on our board.

In connection with our IPO, we adopted a compensation program for our non-employee directors under which each non-employee director is eligible to receive the following amounts for their services on our Board of Directors:

- an option to purchase 50,000 ordinary shares upon the director's initial election or appointment to our Board of Directors;
- if the director has served on our Board of Directors for at least six months as of the date of an annual meeting of shareholders, and will continue to serve as a non-employee director immediately following such meeting, an option to purchase 25,000 ordinary shares on the date of the annual meeting;
- an annual director fee of \$25,000; and
- if the director serves on a committee of our Board of Directors or in the other capacities stated below, an additional annual fee as follows:
 - chairman of the Board or lead independent director, \$25,000;
 - chairman of the audit committee, \$15,000;
 - audit committee member other than the chairman, \$5,000;
 - chairman of the compensation committee, \$10,000;
 - compensation committee member other than the chairman, \$5,000;
 - chairman of the nominating and corporate governance committee, \$10,000; and
 - nominating and corporate governance committee member other than the chairman, \$5,000.

Options granted to our non-employee directors under the program have an exercise price equal to the fair market value of our ordinary shares on the date of grant and expire not later than ten years after the date of grant. The options granted upon a director's initial election or appointment vest in thirty-six (36) substantially equal monthly installments following the date of grant. The options granted annually to directors vest in a single installment on the earlier of the day before the next annual meeting or the first anniversary of the date of grant. In addition, all unvested options vest in full upon the occurrence of a change in control.

In April 2019 our Board, based on the recommendation of our compensation consultant, approved an amendment to our non-employee director compensation program that increased the annual director fee from \$25,000 to \$66,000 and the additional annual fee for service as the chairman of the Board from \$25,000 to \$30,000, effective April 4, 2019.

STOCK OWNERSHIP

Security Ownership of Certain Beneficial Owners and Management

The following table sets forth information relating to the beneficial ownership of our ordinary shares as of April 9, 2019, by:

- each person, or group of affiliated persons, known by us to beneficially own more than 5% of our ordinary shares;
- each of our directors;
- each of our named executive officers for 2018; and
- all directors and executive officers as a group.

The number of shares beneficially owned by each shareholder is determined under rules issued by the SEC. Under these rules, a person is deemed to be a “beneficial” owner of a security if that person has or shares voting power or investment power, which includes the power to dispose of or to direct the disposition of such security. Except as indicated in the footnotes below, we believe, based on the information furnished to us, that the individuals and entities named in the table below have sole voting and investment power with respect to all of our ordinary shares beneficially owned by them, subject to any applicable community property laws.

The percentage of shares beneficially owned is computed on the basis of 33,342,566 of our ordinary shares outstanding as of April 9, 2019. Ordinary shares that a person has the right to acquire within 60 days of April 9, 2019 are deemed outstanding for purposes of computing the percentage ownership of the person holding such rights, but are not deemed outstanding for purposes of computing the percentage ownership of any other person, except with respect to the percentage ownership of all directors and executive officers as a group. Unless otherwise indicated below, the address for each beneficial owner listed is c/o MeiraGTx Holdings plc, 430 East 29th Street, 10th Floor, New York, New York 10016.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our executive officers and directors, our chief accounting officer and persons who beneficially own more than 10% of our ordinary shares to file reports of ownership and changes in ownership with the SEC. Such officers, directors and shareholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file with the SEC. To our knowledge, based on review of the copies of such reports and amendments to such reports furnished to us with respect to the year ended December 31, 2018, and based on written representations by our directors and executive officers, all required Section 16 reports under the Exchange Act for our directors, executive officers and beneficial owners of greater than 10% of our ordinary shares were filed on a timely basis during the year ended December 31, 2018.

CERTAIN TRANSACTIONS WITH RELATED PERSONS

Policies and Procedures on Transactions with Related Persons

Our Board of Directors has adopted a written related person transaction policy setting forth the policies and procedures for the review and approval or ratification of related person transactions. This policy covers, with certain exceptions set forth in Item 404 of Regulation S-K, any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships, in which we were or are to be a participant, where the amount involved exceeds \$5,000 in any one fiscal year and a “related person” (as defined under Regulation S-K) had, has or will have a direct or indirect material interest. It is our policy that directors interested in a related person transaction will recuse themselves from any vote on a related person transaction in which they have an interest. Each of the transactions described below entered into following the adoption of our related person transaction policy was approved in accordance with such policy.

The following is a summary of transactions since January 1, 2017 that constitute related person transactions required to be disclosed pursuant to Item 404(a) of Regulation S-K.

Preferred Share and Warrant Financings

Convertible Preferred C Shares

On April 7, 2016, we issued an aggregate 118,526 Convertible Preferred C Shares to Kadmon Corporation, LLC (“Kadmon”) with an aggregate value of approximately \$1.2 million as partial payment of amounts owed under the transition services agreement (the “Kadmon TSA”). See “Kadmon Transition Services Agreement” below for additional information.

In May 2017, we issued a convertible note to an entity affiliated with Alexandria Real Estate Equities, Inc. (“Alexandria”), of which one of our directors, Joel S. Marcus is affiliated and which was then a beneficial owner of more than 5% of our equity, in a principal amount of \$2.5 million and an interest rate of 10% per annum (the “Convertible Note”). In November 2017, we issued 238,579 Convertible Preferred C Shares to Alexandria with an aggregate value of approximately \$2.5 million, upon conversion of the Convertible Note in satisfaction of the full principal. In accordance with the terms of the Convertible Note, the accrued interest in an amount of \$0.1 million was cancelled.

On September 21, 2017 and April 12, 2018, we issued an aggregate of 477,158 Convertible Preferred C Shares and 715,737 Convertible Preferred Shares, respectively, to Perceptive Life Sciences Master Fund, Ltd., for aggregate consideration of \$7.5 million and \$10.0 million, respectively.

Consulting Agreements

We and Samuel D. Waksal, Ph.D., then a beneficial owner of more than 5% of our equity, entered into a consulting agreement on April 24, 2015 that was subsequently renewed on January 1, 2016, January 1, 2017 and January 1, 2018. Pursuant to the terms of the consulting agreement, we paid Dr. Waksal compensation for his consulting services in 2017 and 2018 of \$850,000 and \$197,260 respectively. Effective on May 14, 2018, we terminated Dr. Waksal's agreement. In September 2017, Dr. Waksal was granted options to purchase 77,299 ordinary shares at an exercise price of \$2.64. In 2018, we voluntarily accelerated the vesting of all of Dr. Waksal's 97,697 unvested options. As of April 9, 2019, Dr. Waksal beneficially owned approximately 2.1% of our outstanding ordinary shares, which assumes all of his 128,832 vested but unexercised options had been exercised.

Effective September 28, 2015, we entered into a three-year consulting agreement with Thomas Shenk, Ph.D., one of our directors. In connection with the agreement, we issued Dr. Shenk 170,809 Series A ordinary shares for aggregate consideration of \$1.3 million. Under the consulting agreement, such shares were subject to forfeiture ratably over a period of three years if Dr. Shenk does not remain a consultant to us. As of December 31, 2018, all shares were no longer subject to forfeiture.

Indemnification Agreements

We entered into indemnification agreements with each of our directors and executive officers. These agreements, among other things, require us to indemnify each director (and in certain cases their related investment funds) and executive officer against all expenses such as attorneys' fees, judgments, penalties, fines and amounts paid in settlement actually and reasonably incurred by the director or executive officer or on his behalf, in connection with such proceeding or any claim, issue or matter therein, if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of our company, and with respect to any criminal proceeding, had no reasonable cause to believe the person's conduct was unlawful.

Kadmon Transition Services Agreement

In April 2015, we entered into the Kadmon TSA with Kadmon to provide us with office and laboratory facilities, as well as certain other personnel support activities. Under the agreement, we were charged for (i) rent based upon the square footage of the office and laboratory facilities we use, (ii) other personnel support activities based upon the hours of the personnel providing the support activities, and (iii) and other direct costs incurred by Kadmon on our behalf, plus a 7% administrative fee. The Kadmon TSA terminated on April 24, 2018, and we are currently leasing office space on a month to month basis from Kadmon. During 2017 and 2018, we paid Kadmon an aggregate amount of \$1.4 million and \$275,941, respectively. As of December 31, 2018, there were no amounts due to Kadmon.

Moorfields Lease

In February 2016, we entered into a five-year lease with Moorfields Eye Hospital NHS Foundation Trust of Moorfields Eye Hospital ("Moorfields") and Kadmon. Under the lease, Kadmon was a guarantor of our rent obligations and agreed to indemnify Moorfields as the landlord against any failure by the tenant to pay the rent or otherwise perform its obligations thereunder. On December 14, 2018, we acquired from Moorfields a long leasehold interest in a pharmacy manufacturing unit (the "Property"), which we continue to occupy and, as a result of this transaction, we are now the tenant of the Property with no facility rent due to Moorfields for the remaining term of 108 years.

ARE Leases

July 2016 Lease

Effective July 2016, we entered into a non-cancellable operating lease for laboratory facilities in New York with ARE-East River Science Park, LLC ("ARE"), an entity affiliated with Alexandria and Joel S. Marcus. Under the

The total rent expense under the lease for the years ended December 31, 2018 and 2017 was \$487,555 and \$487,559, respectively. In July 2016, in connection with the signing of the lease, we entered into a standby letter of credit agreement for \$122,866, which serves as a security deposit for the premises. The standby letter of credit expires on is automatically renewed annually through July 7, 2021. As of the years ended December 31, 2018 and 2017, the balance of deferred rent was \$201,264 and \$231,276, respectively. Aggregate future minimum rental payments under the lease are \$1.7 million as of December 31, 2018.

December 2016 Lease

In December 2016, we entered into a non-cancellable operating lease for laboratory and office facilities in New York with ARE, expiring in October 2032. Under the lease, we paid monthly base rent, property management fees, and operating expenses during the lease term. In December 2016, in connection with the signing of the lease, we entered into a standby letter of credit agreement for \$321,977, which served as a security deposit for the premises. The standby letter of credit was cancelled on November 2017. In October 2017, the lease was amended whereby the lease would terminate on March 2018 and only base rent and management fees in the aggregate amount of \$563,507 would be due for the period from November 2017 through March 2018. Under the amendment, we issued a promissory note in the principal amount of \$1.4 million to ARE at an interest rate of 5% per annum, which removed the balance of the deferred rent and accrued the future rent payments. The note was due on December 31, 2018. We recorded an interest expense in the amount of \$17,386 and \$13,037 for the years ended December 31, 2018 and 2017, respectively. The total rent expense under the operating lease was \$0 and \$1.7 million for the years ended December 31, 2018 and 2017 respectively. As of December 31, 2018, the balance of deferred lease obligation and the aggregate future minimal rental payments under the lease were \$0.

HOUSEHOLDING

SEC rules permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements and notices with respect to two or more shareholders sharing the same address by delivering a single proxy statement or a single notice addressed to those shareholders. This process, which is commonly referred to as "householding," provides cost savings for companies and helps the environment by conserving natural resources. Some brokers household proxy materials, delivering a single proxy statement or notice to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker that they will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement or notice, or if your household is receiving multiple copies of these documents and you wish to request that future deliveries be limited to a single copy, please notify your broker. You can also request prompt delivery of a copy of this Proxy Statement and the Annual Report by contacting the Broadridge Financial Solutions, Inc. at (866) 540-7095 or in writing at Broadridge, Household Department, 51 Mercedes Way, Edgewood, New York 11717.

5. The Office shall be at such address in the Cayman Islands as the Directors may from time to time determine. The Company may in addition establish and maintain such other offices and places of business and agencies in such places as the Directors may from time to time determine.
6. The expenses incurred in the formation of the Company and in connection with the offer for subscription and issue of Shares shall be paid by the Company. Such expenses may be amortised over such period as the Directors may determine and the amount so paid shall be charged against income and/or capital in the accounts of the Company as the Directors shall determine.

In the absence of any such determination, the Register shall be kept at the Office. The Directors may keep, or cause to be kept, one or more Branch Registers as well as the Principal Register in accordance with the Companies Law, provided always that a duplicate of such Branch Register(s) shall be maintained with the Principal Register in accordance with the Companies Law and the rules or requirements of any Designated Stock Exchange.

 - (a) issue, allot and dispose of the same to such Persons, in such manner, on such terms and having such rights and being subject to such restrictions as they may from time to time determine; and

and, for such purposes, the Directors may reserve an appropriate number of Shares for the time being unissued.

9. The Directors, or the Shareholders by Ordinary Resolution, may authorise the division of Shares into any number of Classes and sub-classes and the different Classes and sub-classes shall be authorised, established and designated (or re-designated as the case may be) and the variations in the relative rights (including, without limitation, voting, dividend and redemption rights), restrictions, preferences, privileges and payment obligations as between the different Classes (if any) may be fixed and determined by the Directors or the Shareholders by Ordinary Resolution.
10. The Company may insofar as may be permitted by law, pay a commission to any Person in consideration of his subscribing or agreeing to subscribe whether absolutely or conditionally for any Shares. Such commissions may be satisfied by the payment of cash or the lodgement of fully or partly paid-up Shares or partly in one way and partly in the other. The Company may also pay such brokerage as may be lawful on any issue of Shares.
11. The Directors may refuse to accept any application for Shares, and may accept any application in whole or in part, for any reason or for no reason.

MODIFICATION OF RIGHTS

12. Whenever the capital of the Company is divided into different Classes (and as otherwise determined by the Directors) the rights attached to any such Class may, subject to any rights or restrictions for the time being attached to any Class only be materially adversely varied or abrogated with the consent in writing of the holders of not less than two-thirds of the issued Shares of the relevant Class, or with the sanction of a resolution passed at a separate meeting of the holders of the Shares of such Class by a majority of two-thirds of the votes cast at such a meeting. To every such separate meeting all the provisions of these Articles relating to general meetings of the Company or to the proceedings thereat shall, *mutatis mutandis*, apply, except that the necessary quorum shall be one or more Persons at least holding or representing by proxy one-third in nominal or par value amount of the issued Shares of the relevant Class (but so that if at any adjourned meeting of such holders a quorum as above defined is not present, those Shareholders who are present shall form a quorum) and that, subject to any rights or restrictions for the time being attached to the Shares of that Class, every Shareholder of the Class shall on a poll have one vote for each Share of the Class held by him. For the purposes of this Article the Directors may treat all the Classes or any two or more Classes as forming one Class if they consider that all such Classes would be affected in the same way by the proposals under consideration, but in any other case shall treat them as separate Classes. The Directors may vary the rights attaching to any Class without the consent or approval of Shareholders provided that the rights will not, in the determination of the Directors, be materially adversely varied or abrogated by such action.
13. The rights conferred upon the holders of the Shares of any Class issued with preferred or other rights shall not, subject to any rights or restrictions for the time being attached to the Shares of that Class, be deemed to be materially adversely varied or abrogated by, *inter alia*, the creation, allotment or issue of further Shares ranking *pari passu* with or subsequent to them or the redemption or purchase of any Shares of any Class by the Company.

CERTIFICATES

14. No Person shall be entitled to a certificate for any or all of his Shares, unless the Directors shall determine otherwise.
15. Every share certificate of the Company shall bear any legends required under applicable laws, including the Securities Act. If any share certificate is lost, destroyed or stolen, the Directors may require the holder or

Table of Contents

holders of the relevant Share to provide an indemnity in a form acceptable to the Directors. Upon such indemnity being provided, a new share certificate may be issued to the holder or holders entitled to such lost, destroyed or stolen share certificate, unless the Directors determine otherwise.

FRACTIONAL SHARES

16. The Directors may issue fractions of a Share and, if so issued, a fraction of a Share shall be subject to and carry the corresponding fraction of liabilities (whether with respect to nominal or par value, premium, contributions, calls or otherwise), limitations, preferences, privileges, qualifications, restrictions, rights (including, without prejudice to the generality of the foregoing, voting and participation rights) and other attributes of a whole Share. If more than one fraction of a Share of the same Class is issued to or acquired by the same Shareholder such fractions shall be accumulated.

LIEN

17. The Company has a first and paramount lien on every Share (whether or not fully paid) for all amounts (whether presently payable or not) payable at a fixed time or called in respect of that Share. The Company also has a first and paramount lien on every Share (whether or not fully paid) registered in the name of a Person indebted or under liability to the Company (whether he is the sole registered holder of a Share or one of two or more joint holders) for all amounts owing by him or his estate to the Company (whether or not presently payable). The Directors may at any time declare a Share to be wholly or in part exempt from the provisions of this Article. The Company's lien on a Share extends to any amount payable in respect of it.
18. The Company may sell, in such manner as the Directors may determine, any Share on which the Company has a lien, but no sale shall be made unless an amount in respect of which the lien exists is presently payable nor until the expiration of fourteen days after a notice in writing, demanding payment of such part of the amount in respect of which the lien exists as is presently payable, has been given to the registered holder for the time being of the Share, or the Persons entitled thereto by reason of his death or bankruptcy.
19. For giving effect to any such sale the Directors may authorise some Person to transfer the Shares sold to the purchaser thereof. The purchaser shall be registered as the holder of the Shares comprised in any such transfer and he shall not be bound to see to the application of the purchase money, nor shall his title to the Shares be affected by any irregularity or invalidity in the proceedings in reference to the sale.
20. The proceeds of the sale after deduction of expenses, fees and commission incurred by the Company shall be received by the Company and applied in payment of such part of the amount in respect of which the lien exists as is presently payable, and the residue shall (subject to a like lien for sums not presently payable as existed upon the Shares prior to the sale) be paid to the Person entitled to the Shares immediately prior to the sale.

CALLS ON SHARES

21. The Directors may from time to time make calls upon the Shareholders in respect of any moneys unpaid on their Shares, and each Shareholder shall (subject to receiving at least fourteen days' notice specifying the time or times of payment) pay to the Company at the time or times so specified the amount called on such Shares.
22. The joint holders of a Share shall be jointly and severally liable to pay calls in respect thereof.
23. If a sum called in respect of a Share is not paid before or on the day appointed for payment thereof, the Person from whom the sum is due shall pay interest upon the sum at the rate of eight percent per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors shall be at liberty to waive payment of that interest wholly or in part.

Table of Contents

24. The provisions of these Articles as to the liability of joint holders and as to payment of interest shall apply in the case of non-payment of any sum which, by the terms of issue of a Share, becomes payable at a fixed time, whether on account of the amount of the Share, or by way of premium, as if the same had become payable by virtue of a call duly made and notified.
25. The Directors may make arrangements on the issue of partly paid Shares for a difference between the Shareholders, or the particular Shares, in the amount of calls to be paid and in the times of payment.
26. The Directors may, if they think fit, receive from any Shareholder willing to advance the same all or any part of the moneys uncalled and unpaid upon any partly paid Shares held by him, and upon all or any of the moneys so advanced may (until the same would, but for such advance, become presently payable) pay interest at such rate (not exceeding without the sanction of an Ordinary Resolution, eight percent per annum) as may be agreed upon between the Shareholder paying the sum in advance and the Directors.

FORFEITURE OF SHARES

27. If a Shareholder fails to pay any call or instalment of a call in respect of any Shares on the day appointed for payment, the Directors may, at any time thereafter during such time as any part of such call or instalment remains unpaid, serve a notice on him requiring payment of so much of the call or instalment as is unpaid, together with any interest which may have accrued.
28. The notice shall name a further day (not earlier than the expiration of fourteen days from the date of the notice) on or before which the payment required by the notice is to be made, and shall state that in the event of non-payment at or before the time appointed the Shares in respect of which the call was made will be liable to be forfeited.
29. If the requirements of any such notice as aforesaid are not complied with, any Share in respect of which the notice has been given may at any time thereafter, before the payment required by notice has been made, be forfeited by a resolution of the Directors to that effect.
30. A forfeited Share may be sold or otherwise disposed of on such terms and in such manner as the Directors think fit, and at any time before a sale or disposition the forfeiture may be cancelled on such terms as the Directors think fit.
31. A Person whose Shares have been forfeited shall cease to be a Shareholder in respect of the forfeited Shares, but shall, notwithstanding, remain liable to pay to the Company all moneys which at the date of forfeiture were payable by him to the Company in respect of the Shares forfeited, but his liability shall cease if and when the Company receives payment in full of the amount unpaid on the Shares forfeited.
32. A statutory declaration in writing that the declarant is a Director, and that a Share has been duly forfeited on a date stated in the declaration, shall be conclusive evidence of the facts in the declaration as against all Persons claiming to be entitled to the Share.
33. The Company may receive the consideration, if any, given for a Share on any sale or disposition thereof pursuant to the provisions of these Articles as to forfeiture and may execute a transfer of the Share in favour of the Person to whom the Share is sold or disposed of and that Person shall be registered as the holder of the Share, and shall not be bound to see to the application of the purchase money, if any, nor shall his title to the Shares be affected by any irregularity or invalidity in the proceedings in reference to the disposition or sale.
34. The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which by the terms of issue of a Share becomes due and payable, whether on account of the amount of the Share, or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

TRANSFER OF SHARES

35. Subject to these Articles and the rules or regulations of the Designated Stock Exchange or any relevant securities laws, any Member may transfer all or any Shares by an instrument of transfer in the usual or common form or in a form prescribed by the Designated Stock Exchange or in any other form approved by the Directors and may be under hand or, if the transferor or transferee is a clearing house or its nominee(s), by hand or by machine imprinted signature or by such other manner of execution as the Directors may approve from time to time.
36. The instrument of transfer of any Share shall be executed by or on behalf of the transferor and if in respect of a nil or partly paid up Share, or if so required by the Directors, shall also be executed on behalf of the transferee and shall be accompanied by the certificate (if any) of the Shares to which it relates and such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer. The transferor shall be deemed to remain a Shareholder until the name of the transferee is entered in the Register in respect of the relevant Shares.
37. Subject to the rules of any Designated Stock Exchange on which the Shares in question may be listed and to any rights and restrictions for the time being attached to any Share, the Directors may in their absolute discretion decline to register any transfer of Shares without assigning any reason therefor. If the Directors refuse to register a transfer of any Share the Secretary shall, within two months after the date on which the transfer request was lodged with the Company, send to the transferor and transferee notice of the refusal.
38. Subject to the provisions of these Articles and rules of any Designated Stock Exchange on which the shares in question may be listed and to any rights and restrictions for the time being attached to any Share, the registration of transfers may be suspended and the Register closed at such times and for such periods as the Directors may from time to time determine.
39. All instruments of transfer that are registered shall be retained by the Company, but any instrument of transfer that the Directors decline to register shall (except in any case of fraud) be returned to the Person depositing the same.

TRANSMISSION OF SHARES

40. The legal personal representative of a deceased sole holder of a Share shall be the only Person recognised by the Company as having any title to the Share. In the case of a Share registered in the name of two or more holders, the survivors or survivor, or the legal personal representatives of the deceased holder of the Share, shall be the only Person recognised by the Company as having any title to the Share.
41. Any Person becoming entitled to a Share in consequence of the death or bankruptcy of a Shareholder shall upon such evidence being produced as may from time to time be required by the Directors, have the right either to be registered as a Shareholder in respect of the Share or, instead of being registered himself, to make such transfer of the Share as the deceased or bankrupt Person could have made; but the Directors shall, in either case, have the same right to decline or suspend registration as they would have had in the case of a transfer of the Share by the deceased or bankrupt Person before the death or bankruptcy.
42. A Person becoming entitled to a Share by reason of the death or bankruptcy of a Shareholder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered Shareholder, except that he shall not, before being registered as a Shareholder in respect of the Share, be entitled in respect of it to exercise any right conferred by membership in relation to meetings of the Company.

ALTERATION OF SHARE CAPITAL

43. The Company may from time to time by Ordinary Resolution increase the share capital by such sum, to be divided into Shares of such Classes and amount, as the resolution shall prescribe.

44. The Company may by Ordinary Resolution:
 - (a) consolidate and divide all or any of its share capital into Shares of a larger amount than its existing Shares;
 - (b) convert all or any of its paid up Shares into stock and reconvert that stock into paid up Shares of any denomination;
 - (c) subdivide its existing Shares, or any of them into Shares of a smaller amount provided that in the subdivision the proportion between the amount paid and the amount, if any, unpaid on each reduced Share shall be the same as it was in case of the Share from which the reduced Share is derived; and
 - (d) cancel any Shares that, at the date of the passing of the resolution, have not been taken or agreed to be taken by any Person and diminish the amount of its share capital by the amount of the Shares so cancelled.
45. The Company may by Special Resolution reduce its share capital and any capital redemption reserve in any manner authorised by law.

REDEMPTION, PURCHASE AND SURRENDER OF SHARES

46. Subject to the Companies Law, the Company may:
 - (a) issue Shares on terms that they are to be redeemed or are liable to be redeemed at the option of the Company or the Shareholder on such terms and in such manner as the Directors may determine;
 - (b) purchase its own Shares (including any redeemable Shares) on such terms and in such manner as the Directors may determine and agree with the Shareholder;
 - (c) make a payment in respect of the redemption or purchase of its own Shares in any manner authorised by the Companies Law, including out of its capital; and
 - (d) accept the surrender for no consideration of any paid up Share (including any redeemable Share) on such terms and in such manner as the Directors may determine.
47. Any Share in respect of which notice of redemption has been given shall not be entitled to participate in the profits of the Company in respect of the period after the date specified as the date of redemption in the notice of redemption.
48. The redemption, purchase or surrender of any Share shall not be deemed to give rise to the redemption, purchase or surrender of any other Share.
49. The Directors may when making payments in respect of redemption or purchase of Shares, if authorised by the terms of issue of the Shares being redeemed or purchased or with the agreement of the holder of such Shares, make such payment either in cash or in specie including, without limitation, interests in a special purpose vehicle holding assets of the Company or holding entitlement to the proceeds of assets held by the Company or in a liquidating structure.

TREASURY SHARES

50. Shares that the Company purchases, redeems or acquires (by way of surrender or otherwise) may, at the option of the Company, be cancelled immediately or held as Treasury Shares in accordance with the Companies Law. In the event that the Directors do not specify that the relevant Shares are to be held as Treasury Shares, such Shares shall be cancelled.
51. No dividend may be declared or paid, and no other distribution (whether in cash or otherwise) of the Company's assets (including any distribution of assets to members on a winding up) may be declared or paid in respect of a Treasury Share.

Table of Contents

52. The Company shall be entered in the Register as the holder of the Treasury Shares provided that:
 - (a) the Company shall not be treated as a member for any purpose and shall not exercise any right in respect of the Treasury Shares, and any purported exercise of such a right shall be void;
 - (b) a Treasury Share shall not be voted, directly or indirectly, at any meeting of the Company and shall not be counted in determining the total number of issued shares at any given time, whether for the purposes of these Articles or the Companies Law, save that an allotment of Shares as fully paid bonus shares in respect of a Treasury Share is permitted and Shares allotted as fully paid bonus shares in respect of a treasury share shall be treated as Treasury Shares.
53. Treasury Shares may be disposed of by the Company on such terms and conditions as determined by the Directors.

GENERAL MEETINGS

54. The Directors may, whenever they think fit, convene a general meeting of the Company.
55. For so long as the Company's Shares are traded on a Designated Stock Exchange, the Company shall in each year hold a general meeting as its annual general meeting at such time and place as may be determined by the Directors.
56. The Directors may cancel or postpone any duly convened general meeting at any time prior to such meeting, except for general meetings requisitioned by the Shareholders in accordance with these Articles, for any reason or for no reason at any time prior to the time for holding such meeting or, if the meeting is adjourned, the time for holding such adjourned meeting. The Directors shall give Shareholders notice in writing of any cancellation or postponement. A postponement may be for a stated period of any length or indefinitely as the Directors may determine.
57. General meetings shall also be convened on the requisition in writing of any Shareholder or Shareholders entitled to attend and vote at general meetings of the Company and to exercise at least a majority of the votes permitted to be exercised at any such meeting deposited at the Office specifying the objects of the meeting by notice given no later than 21 days from the date of deposit of the requisition signed by the requisitionists, and if the Directors do not convene such meeting for a date not later than 45 days after the date of such deposit, the requisitionists themselves may convene the general meeting in the same manner, as nearly as possible, as that in which general meetings may be convened by the Directors, and all reasonable expenses incurred by the requisitionists as a result of the failure of the Directors to convene the general meeting shall be reimbursed to them by the Company.
58. If at any time there are no Directors, any two Shareholders (or if there is only one Shareholder then that Shareholder) entitled to vote at general meetings of the Company may convene a general meeting in the same manner as nearly as possible as that in which general meetings may be convened by the Directors.

NOTICE OF GENERAL MEETINGS

59. At least twenty one (21) clear days' notice of a general meeting in writing counting from the date service is deemed to take place as provided in these Articles specifying the place, the day and the hour of the meeting and the general nature of the business, shall be given in the manner hereinafter provided or in such other manner (if any) as may be prescribed by the Company by Ordinary Resolution to such Persons as are, under these Articles, entitled to receive such notices from the Company, but with the consent of all the Shareholders entitled to receive notice of some particular meeting and attend and vote thereat, that meeting may be convened by such shorter notice or without notice and in such manner as those Shareholders may think fit.

60. The accidental omission to give notice of a meeting to or the non-receipt of a notice of a meeting by any Shareholder shall not invalidate the proceedings at any meeting.

PROCEEDINGS AT GENERAL MEETINGS

61. All business carried out at a general meeting shall be deemed special with the exception of sanctioning a dividend, the consideration of the accounts, balance sheets, any report of the Directors or of the Company's auditors, and the fixing of the remuneration of the Company's auditors. No special business shall be transacted at any general meeting without the consent of all Shareholders entitled to receive notice of that meeting unless notice of such special business has been given in the notice convening that meeting. In addition, no business may be transacted at any general meeting, other than business that is either specified in the notice of the meeting given by or at the direction of the Directors (or any duly authorised committee thereof) (including on the requisition of Shareholders in accordance with these Articles) or otherwise properly brought before an annual general meeting by or at the direction of the Directors (or any duly authorised committee thereof).
62. No business shall be transacted at any general meeting unless a quorum of Shareholders is present at the time when the meeting proceeds to business. Save as otherwise provided by these Articles, one or more Shareholders holding at least one third of the paid up voting share capital of the Company present in person or by proxy and entitled to vote at that meeting shall form a quorum.
63. If within half an hour from the time appointed for the meeting a quorum is not present, the meeting, if convened upon the requisition of Shareholders, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week, at the same time and place, and if at the adjourned meeting a quorum is not present within half an hour from the time appointed for the meeting the Shareholder or Shareholders present and entitled to vote shall form a quorum.
64. If the Directors wish to make this facility available for a specific general meeting or all general meetings of the Company, participation in any general meeting of the Company may be by means of a telephone or similar communication equipment by way of which all Persons participating in such meeting can communicate with each other and such participation shall be deemed to constitute presence in person at the meeting.
65. The chairman, if any, of the board of Directors shall preside as chairman at every general meeting of the Company.
66. If there is no such chairman, or if at any general meeting he is not present within fifteen minutes after the time appointed for holding the meeting or is unwilling to act as chairman, any Director or Person nominated by the Directors shall preside as chairman, failing which the Shareholders present in person or by proxy shall choose any Person present to be chairman of that meeting.
67. The chairman may adjourn a meeting from time to time and from place to place either:
- (a) with the consent of any general meeting at which a quorum is present (and shall if so directed by the meeting); or
 - (b) without the consent of such meeting if, in his sole opinion, he considers it necessary to do so to:
 - (i) secure the orderly conduct or proceedings of the meeting; or
 - (ii) give all persons present in person or by proxy and having the right to speak and / or vote at such meeting, the ability to do so,
- but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place. When a meeting, or adjourned meeting, is adjourned for fourteen days or more, notice of the adjourned meeting shall be given in the manner provided for the original meeting. Save as aforesaid, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.

Table of Contents

68. At any general meeting a resolution put to the vote of the meeting shall be decided on a show of hands, unless a poll is (before or on the declaration of the result of the show of hands) demanded by the chairman or one or more Shareholders present in person or by proxy entitled to vote, and unless a poll is so demanded, a declaration by the chairman that a resolution has, on a show of hands, been carried, or carried unanimously, or by a particular majority, or lost, and an entry to that effect in the book of the proceedings of the Company, shall be conclusive evidence of the fact, without proof of the number or proportion of the votes recorded in favour of, or against, that resolution.
69. At any annual general meeting where a resolution for the election of directors is proposed in accordance with these Articles, a plurality of the votes cast shall be sufficient to elect a Director.
